

BOMB MEN'S TRIAL PUT UNDER GUARD

Anarchists May Try to Make Trouble When Cathedral Plotters Go to Bar.

NEW YORK, March 28.—A special squad of detectives is on guard today in the criminal courts building because of the trial of Frank Arbanio and Carmine Carbone, charged with having plotted to bomb St. Patrick's Cathedral a month ago.

Anarchists, members of the I. W. W., and other radicals are preparing to attend the trial in large numbers, to show their sympathy with the two men who assert they are the victims of a police conspiracy.

Every man who goes into the building is being scrutinized. If he carries a package he will be stopped, and its contents will be examined. The court room has a special guard and a man may be assigned to see that the judge goes to and from his home in safety. It is possible that Judge Nott will exclude from the court room all persons except those there on legitimate business.

Assistant District Attorney Arthur Train said he was ready to proceed, and will strongly object to further delay. Simon, representing the defendants, said his case was not yet ready, so he will ask for two weeks' adjournment. But it is not believed this delay will be granted, as Judge Nott thinks he has given ample time for preparation. There is a possibility, however, that he may not be able to go on with the case, owing to the illness of his mother.

HYATTSTVILLE.

The municipal election promises to be a very uninteresting affair, as no opposition to any of the candidates has developed. Edward Devlin, present councilman from the Second ward, is a candidate for mayor to succeed Capt. Oswald A. Greener. In the First ward Councilman William Dorr will be a candidate to succeed himself. In the Second ward John A. Adams is in the field to succeed John C. Brooke, and W. C. Kitchman wants to occupy the place that Mr. Devlin will vacate. George M. McFarland will seek reelection. The hold-over councilmen will be Dr. Guy W. Loring, First ward, and John G. Holden, Third ward.

The "Red" and "Blue" contest of the Christian Endeavor Society of the First Presbyterian Church came to a close last night. The "Blues," headed by Capt. Oswald A. Greener, defeated the "Reds," under the leadership of John Brooks, by the score of 25 to 21. The "Reds" will entertain the "Blues" at a supper Friday after next.

H. G. Lugenbeel, of Berwyn, will move to Washington in April with his family.

The Berwyn Troop of Boy Scouts gave a surprise party to Scoutmaster H. G. Lugenbeel in appreciation of his work. Mr. Lugenbeel was given a mantle clock.

ROCKVILLE.

Mrs. Ruth G. Beall, widow of Edward M. Beall, died of pneumonia Saturday afternoon at her home near Cedar Grove, seventy-nine years. She is survived by two sons and two daughters.

Mrs. Mary Catharine Shipley, wife of C. Cassaway Shipley, died of quinsy Saturday evening at her home near Cedar Grove, surviving her husband and three children. The funeral took place this afternoon.

Convicted on a charge of setting fire to a barn on the farm of Thompson Williams, near Cedar Grove, several months ago, Adam, colored, was sentenced yesterday by Judge Peter to twelve years in the Maryland Penitentiary.

Eighteen months in the house of correction was the sentence imposed upon Robert Shipley, of Middlebrook, convicted of attempting to shoot Deputy Sheriff Gray, when the officer went to the Shipley home to apprehend John Dove, who had escaped from a Baltimore insane asylum.

The case of Franklin C. Boswell, indicted for the murder of Aaron R. Hewitt, bailiff, of Rockville, here last October, has been set for trial next Wednesday.

Suits have been instituted in the circuit court here as follows: James H. Cissel against Oliver B. Clark and others, for sale of land; Washington Brewing Company against Ernest Leeffer, attachment for \$765; Gordon G. Ray against Carrie V. Ray, for divorce.

ANACOSTIA.

A special meeting of Anacostia Chapter No. 12, Royal Arch Masons, is called for tonight in the local Masonic Hall, when the presentation of the P. M. and M. E. M. degrees will take place.

The old frame house which stood on the high ground at the head of V street was destroyed by fire last night. The property was owned by Dr. R. A. Pyles.

Italian Catholics for Belgium's Independence

ROME, March 28.—The directors of the Union Populaire Italienne, the most influential Italian Catholic organization, have approved an order of the day in favor of the liberty and independence of Belgium.

This fact is very important because until today the Catholics had been looked upon as partisans of the central empire.

Owners of such properties would do well by having their announcement appear at the same time. For detailed information call Main 5260 and ask for the Classified Advertising Manager.

MARKET EASES OFF ON REALIZING SALES

Price Levels, However, in Majority of Cases, Continue Above Saturday's Close.

NEW YORK, March 28.—Having opened active and strong, the stock market today eased off before noon on realizing sales. The price levels, however, in the majority of cases, continued well above Saturday's closing figures, and in a few cases, notably among the specialties, large gains were recorded.

There was a decided increase in the volume of commission house business, the orders being far in excess of the number received by those houses on any other day in the present year.

The extraordinary statement of the Bethlehem Steel Corporation appeared to receive more attention today than it did when issued on Saturday, and as a result Bethlehem's closing price advanced 3 1/2 points to 107 1/2, a gain of 11 full points, but later reacted to a degree on the profit-taking sales.

The motor stocks were exceptionally strong on a report showing that there are at present 1,750,000 automobiles in the United States, a gain of 500,000 for the year. General Motors, which has been recording phenomenal advances for several days, opened at 125, a gain of 5 points, and sold up to 125 1/2, a gain of 10 points, before settling at 125 1/4, and Studebaker 24 1/2 points to 5 1/4.

Canadian Pacific was one of the strongest of the railroad stocks, selling up 2 1/2 points to 165 early in the day, and then settling at 164 1/2, a gain of 1 1/2 points, at 12 1/2. United States Steel, selling at 94, was up a full point.

The Chinese government has appropriated \$1,000,000 for expenses of fifty Chinese bankers, merchants, and officials who will spend seventy days touring the United States according to the Merchants' Association bulletin. Starting from San Francisco in May, the party will travel some 11,000 miles, finishing the trip at Seattle on July 1. The object of the trip will be to establish closer trade relations between China and this country. The following States will be visited: California, Louisiana, Missouri, Indiana, Ohio, Maryland, Pennsylvania, Massachusetts, Rhode Island, Connecticut, New Jersey, Michigan, Wisconsin, and Washington; also the District of Columbia.

The export and import movement in American bottoms at Savannah during February was greater than during any other month in its history, the figures of the port. In imports American vessels led all others, having brought approximately half the imports during the month. In exports the movement in American bottoms was second only to that shipped in vessels under the British flag. In view of the fact that Savannah has only one regular line of trans-Atlantic steamers, the small fleet of Walker, Armstrong & Co., this record is considered remarkable.

February the exports were \$18,018,500. American bottoms took out \$2,751,700, and British \$1,162,584. The imports were \$17,937,000. American vessels brought \$8,251, and British \$1,966.
